

Visitors and Volunteers at WOM

Parents are asked to drop their child off in the yard between 7:45 and 8:00 am daily. Should you come to school to pick up your child at the end of the day, please wait to enter the yard until the bell at 2:30 pm. There are many activities that take place outside in the last period of the day. Please stay off school property at this time so not to disrupt this outdoor learning.

Any parent or visitor entering the school must sign in at the office prior to any appointment or volunteer assignment. You must also wear a visible volunteer badge provided by office staff. Those parents volunteering at the school are assigned by the principal, vice-principal or educators to work in an area of the school. We respectfully ask that you remain in the area assigned by the staff member completing the task required.

Thank you so much for all that you do to make WOM such a great place!

Volunteers Make A Big Difference At Our Schools

Parents are invited to participate in the day-to-day activities of school life by volunteering at WOM. Offering to help can make a positive difference in your child's education. You could be asked to prepare classroom materials, help out at special school events, or read to students. Join your school council and find out more about the many activities planned for this school year. Contact your child's educator or the principal to discuss options for this opportunity today.
